

SACRED HEART OF JESUS

Bath, PA

February 2017

### **TRACK & FIELD SIGN UPS**

Dear Parent(s):

The Sacred Heart CYO is currently accepting Registration Forms for our upcoming 2017 Track & Field Season.

Students will have the opportunity to compete in various Track & Field activities. Younger grades have more limits to what they participate in. The focus is on teaching children the skills needed to participate in Track & Field and the basics associated with that along with preparing for competition. We will once again be teaming up with Holy Family to provide even more opportunities for our students. We will be participating in a series of Meet's throughout the season. Once we have all signups in our Coaches will look to see what activities we will participate in. Such things will be decided based on signup numbers.

A list of dates and times will be released after signups are processed. A list of those dates can be emailed before that time, if needed and upon request.

Practice will begin in late March. The Registration Fee is \$14.00 per child. Once we have our final roster count there may be some additional fees for shirts or jersey's.

Please submit your registration forms to Sacred Heart School or the Parish Office no later than **Wednesday March 15th. Any child of Sacred Heart Parish is welcome to participate.**

Any questions please contact Head Coach Jeana Santostefano via email [Jeanamerk@yahoo.com](mailto:Jeanamerk@yahoo.com)

Thank You,  
Frank Hesch  
Sacred Heart CYO Director
