

September 2016

BASKETBALL SIGN UPS

Dear Parent(s):

Registration is now open for the upcoming 2016-17 Basketball Season.

We had a great team last season and we are all looking forward to another great season this year! Once we have the final registration numbers we will know how many teams we will field, and in what age brackets.

Last year for Grades K through 3 we offered "Skills and Drills" which focused on teaching the children the skills needed to play basketball and the fundamentals associated with that. The K-3 team also participated in a few scrimmages with other Parishes in order to gain valuable game time experience and apply their new skills. Our intention is to do that again this year for our younger kids and based on the interest and ages of the players who register we may have enough kids to field a league team. This decision will be made after the registration forms are collected.

A list of practice dates and times will be released after signups are processed. A list of those dates can be emailed before that time, if needed and upon request.

Practice will most likely begin in November.

Please submit your registration forms to the Sacred Heart School, Parish Office, or place in a weekend Collection at Mass, no later than **Monday, October 11th**. Please write "CYO" on any envelopes.

Any children of Sacred Heart Parish are welcome to participate.

Any questions please contact our Basketball Team:

Coach Jeana Santostefano via email Jeanamerk@yahoo.com

Commissioner Jessica Phillips via email ponch2132@yahoo.com

Thanks,

Frank Hesch

CYO Director
