

Sacred Heart School's Mission

Sacred Heart School is dedicated to the philosophy that Catholic education must have firm rooting in the life and teachings of Jesus Christ for the Christian spiritual, intellectual, moral, emotional, social, and physical development of the child.

Sacred Heart School's Beliefs

The Catholic school is part of the community of faith and carries out the ministry of the Church.

Every child is a unique gift from God.

Children learn at different rates in different ways.

Cooperation among school, home, and community is essential.

Children should be encouraged to strive for their best at all times.

Children should have the opportunity to develop academically, spiritually, physically, and socially.

Every child deserves to learn in an environment that is physically and emotionally safe.

Every child should receive and demonstrate respect.

Life-long learning is essential for success in a changing world.
