

SACRED HEART OF JESUS CYO Bath, PA

October 2017

## **BASKETBALL SIGN UPS**

Dear Parent(s):

Registration is now open for the upcoming 2017-18 Basketball Season.

We had a great team last season and we are all looking forward to another great season this year! Once we have the final registration numbers we will know how many teams we will field, and in what age brackets.

Our plan for this year is to have a team of 3<sup>rd</sup> and 4<sup>th</sup> graders to compete in the Diocesan CYO League. This means they will be playing competitively against teams from other parishes in our district. The number of games will be determined by the number of teams who participate but this will give our older players a chance to play more games against different teams. We also intend to continue with our "skills and drills" team for children Kindergarten through 2<sup>nd</sup> grade which focuses on teaching our children the skills needed to play basketball and the fundamentals associated with that. The Skills and Drills coaches will try to arrange a few scrimmages with other Parishes in order to gain valuable game time experience and allow the younger players to apply their new skills.

A list of practice dates and times will be released after signups are processed with practices starting in November. A list of those dates can be emailed before that time, if needed and upon request. Like previous years all practices will take place at George Wolf in Bath.

Please submit your registration forms to the Sacred Heart School, Parish Office, or place in a weekend Collection at Mass, no later than Monday, October 20<sup>th</sup>. Please write "CYO" on any envelopes.

Any children of Sacred Heart Parish are welcome to participate.

Any questions please contact our Basketball Commissioner:
